

CPM is an independently-owned advisory and project management consultancy delivering value across the entire project lifecycle to governments, asset owners and project owners in the infrastructure and building sectors.

Our reputation has been forged by employing quality people who deliver outstanding results by unlocking hidden value for our clients. We treat everyone with respect and dignity; within our teams, our client's teams, project stakeholders and the wider community.

To support the growth opportunities in the Toowoomba region, we are looking for locally based Civil Engineers and Project Managers. 5 – 15+ years industry experience in transport & civil projects is a must. RPEQ and DTMR prequalification's are an advantage.

Project Engineers & Project Managers

As an important part of the Team, individuals will need to be passionate about living the company's values:

- **People First:** We treat everyone with respect and dignity; within our teams, our client's teams, project stakeholders and the wider community.
- **Adaptability & Technical Excellence:** We value the distinct needs of any project and never apply a "one size fits all" approach. We are adaptable to circumstances, resources and team dynamics and can respond rapidly to feedback, change or challenges
- **Collaboration:** An environment of collaboration helps to foster great ideas, innovative solutions and a positive work environment.
- **Positive Legacy:** We believe that we have a duty to leave a positive legacy in every interaction with our teams, our clients, all stakeholders and on the projects we represent for the wider community.

Area of Responsibility:

- Delivering and performing assigned project work to a high level of professionalism, experience, capability and accuracy;
- Maintaining capability and qualifications via any required ongoing training/continued professional development.

Employment Benefits:

- Competitive Remuneration Package
- Health and Wellness programs including access to an Employee Assistance Program
- Ongoing on the job training and professional learning & development opportunities
- Flexibility in working locations: Head Office at Ipswich Qld, Brisbane Office at Fortitude Valley and onsite roles at Client locations
- Joining a growing company with significant opportunity for the right applicants

A career with CPM is more than just a job – it is a platform to a successful lifestyle!

If interested in learning more please email an application letter and resume to employment@cpmpl.com.au and we will contact you.
